Meeting was called to order at 7:05am. Members present, Pat Hawkey and Susan McCallum. Also in attendance was Clerk-Treasurer Strause. Lief Spilde joined at 8:15am.

McCallum moved, second Hawkey, carried to approve the Ordinance Committee Minutes of 7/8/2014.

Discussion on the process/procedure to place all ordinances on the Village website. Strause had given us a list of the ordinances that have been placed on the Village website. Hawkey stated she had reviewed them and the PDF's worked very well and should be adequate for citizens to print or review. The committee is working with a combined list of ordinances from President Walsten and Strause that they received at the August meeting to complete the process. Hawkey questioned if the cost for codification was known or if Strause could investigate the cost with the Municode company for a budget estimate amount

The animal at large ordinance was discussed and further information is need from Chief Barger concerning the changes/updates he would like to see for this ordinance. Chief Barger was not available for this meeting so this will continue to be on the ordinance agenda.

The vegetation/nuisance ordinance was discussed. Hawkey will incorporate the changes into the current ordinance and committee can review it at the October meeting.

Leif Spilde as a representative of the Fire Department joined the committee at 8:15am for input regarding 19.03-17 Open fires and open flames. The completion of this section will complete the review of the Fire Ordinance. Hawkey will incorporate additions into the document and send it to McCullum for review.

McCallum moved, second Hawkey to adjourn at 8:40am. Motion carried.
